

ELK COVE VINEYARDS

July 2018 Roosevelt Club News

Greetings Roosevelt Club Members,

July is the kickoff to summer in Oregon in Wine Country. We've made it through June, sometimes referred to as "June-uary" to Oregonians because it tends to bring rain and wind, but this year glimpses of "June-uary" were only momentary as summer came early to our little slice of paradise.

We raise our glass to you Roosevelt Club Members. May you find many opportunities to share our wines with new friends and old. Cheers!

- Taylor Theis, Wine Club Manager

How We Make Our Chardonnay

Our Chardonnay is hand picked then gently whole-cluster pressed to avoid bitterness. The juice is fermented in large puncheons and a mix of neutral and new oak barrels. We age in barrel for a full 12 months with some stirring on the lees after malolactic fermentation. This is our classic take on Chardonnay, one of the original varietals we planted in 1974 and grew for over 20 years. We're happy to bring this varietal back to the Elk Cove family of wines!
