## VINEYARDS

### 2016 Roosevelt

**VINTAGE 2016** was a year of unusual weather that led to beautiful fruit at lower than average yields. In spring, an early heat spike meant a very condensed time frame for bloom. This gave us smaller than average berries and clusters and set us on the path for our third early harvest in a row. Thankfully, summer weather was cooler than average, which slowed down ripening and allowed flavor development to catch up to sugar accumulation. Due to our small initial crop estimates, we held off thinning until the last minute to delay ripening and add “hang-time”, an important factor in the development of complex flavors.

We were a little stunned when our first fruit hit the crush-pad in the last days of August, setting a record for our earliest harvest in 40 years. September and October brought relief from the heat with mild evenings and cool nights that allowed for slow, even ripening. We picked fruit that was absolutely pristine and perfectly ripe, at a gradual pace that allowed us to give our full attention to each block and work shorter hours than in a typical harvest season.

We are optimistic that 2016 will be an outstanding vintage, reminiscent of 2012 and 2014, with wines that show great balance and concentration.

**VINEYARD:** Roosevelt vineyard was planted in 1993 and has quickly become Elk Cove’s most prized vineyard site. A four-acre high-density (2100 vines per acre) planting situated just south of the winery on Willakenzie soils, Roosevelt’s south-facing hillside slopes to a steep precipice overlooking the magnificent Williams Canyon.

Roosevelt undergoes extensive pruning and cluster thinning to limit yields and maximize ripening to concentrate the fruit and is managed using completely organic practices. All of these elements combine to consistently produce one of Oregon’s finest Pinot Noirs.

**WINEMAKING:** All of Elk Cove’s delicate Pinot Noir fruit undergoes the same gentle handling through our gravity flow system. This allows us to achieve the elegance, texture and luscious quality that are the hallmarks of exquisite Pinot Noir.

This reserve level pinot noir is produced exclusively from grapes from our Roosevelt Vineyard. The wine is fermented in 50% new oak and only the best barrels are selected to create what many consider Elk Cove’s finest Pinot Noir.

**TASTING NOTES:** A wine built for the cellar, it opens with enticing aromas of dark cherry, cedar and violets. Tannins are rich and inviting, lending structure to the plum and toffee flavors with a woody edge of fir bough and black currant.

#### VITICULTURE & ENOLOGY:

Vine Age: 23 years  
Harvest Sugars: 24.5 brix  
Vatting: Fermentation in small open top steel fermentors.  
10 months in 50% new French oak.  
pH: 3.66  
TA: 5.3  
Alc: 14.2% v/v  
Bottled August 2017  
Cases Produced: 400 cases
