Robert Parker's Wine Advocate, May 2023

Goodrich Vineyard

"Early releases from the 2021 vintage are highly promising so far and a much-needed respite from the challenges of 2020. Pinot Noirs and Chardonnays are concentrated yet elegantly structured, exhibiting tremendous purity and expression of place, resulting from an even, idyllic season. Some of the 2021s require plenty of air to open, and their inherent power suggest the wines will be worthy of moderate to extended cellaring."

Erin Brooks, Robert Parker's Wine Advocate, May 2023
