

# ELK COVE VINEYARDS

## 2021 Five Mountain

**VINTAGE 2021** was an outstanding year at Elk Cove. Cool weather during bloom and moderate temperatures during most of the growing season brought forth an ample harvest of intensely concentrated fruit.

The timing of weather events was key to our success in 2021. Rainfall during bloom raised expectations for a small, high-quality crop. Then a once-in-a-millennium heat dome event brought worrying temperatures to the Pacific Northwest. This was thankfully during the most resilient stage of the growing season and our old vines survived without sign of serious stress or sunburn. Growth resumed normally once temperatures cooled with average heat from July through September bringing even ripening to the plentiful small, loose clusters. Our vines made it through the rain and the heat in fine condition with lots of variable sized berries, known as hens and chicks.

Harvest 2021 was not only of high quality but also surprisingly bountiful. Low levels of dehydration combined with the numerous small clusters and several acres of young vines coming into maturity meant a record tonnage for Elk Cove. For red Pinot Noirs, expect intense color and flavors bursting out of the glass, while white wines and rosés are fruit-forward with great acidity and balance.

**VINEYARD:** Elk Cove Vineyards purchased Five Mountain Vineyard in 2005 after leasing the site for several years. Previously it was exclusively used in our Willamette Valley blend, but after taking full control of the vineyard we have found certain lots worthy of Single Vineyard status.

This historic vineyard was planted in 1978 by the Ponzi family. The original 4.2 acres of old vines are comprised of Pommard clone and the entire vineyard is set on a steep southeast slope in the Chehalem Mountains AVA. The site has a view of five volcanoes in the Cascade Range most widely seen from the Willamette Valley. This vineyard was an important element in the early Ponzi Reserve Pinots and has also been a Single Vineyard selection from a number of premier Oregon wineries over the years.

Five Mountain is now sustainably farmed by Elk Cove Vineyards and comprises a total of 30 acres including the original old vine Pommard Pinot Noir, younger Dijon Pinot Noir, Pinot Gris, Pinot Blanc, Muscat, Gewurztraminer and Riesling.

**WINEMAKING:** Fruit from Five Mountain is fermented in small, temperature controlled steel tanks, hand punched down twice daily, and barreled in French oak barrels. After 10 months of aging, only the barrels that are most representative of the Five Mountain profile are carefully blended to create a rich, earthy Oregon Pinot Noir.

**TASTING NOTES:** The nose offers blue flowers, cedar and cola, followed by lively blueberry, underripe blackberry and cranberry on the juicy palate, complemented by dusty tannins and savory notes of coffee, cinnamon and salted caramel.

### VITICULTURE & ENOLOGY:

Vine Age: 14-43 years  
Harvest Sugars: 24 brix  
Vatting: Fermentation in small open top steel fermentors. 10 months in 30% new French oak.  
pH: 3.6  
TA: 5.6  
Alc: 13.5% v/v  
Bottled August 2022

### REVIEWS:

**94 Points & Editor's Choice** - *Wine Enthusiast* (June 2023)

"Blackberries, fresh-cut grass and orange peel aromas are joined by a full-on earthy, rocky post-rain petrichor/geosmin experience. Rain and fruit—talk about quintessentially Oregon. The wine's fuller-bodied flavors include black cherries, basil and grilled beets. Crisp texture, with tangy acidity and firm tannins. Editors' Choice." -*Michael Alberty*
