

## Cellar Hand Position

Elk Cove Vineyards is looking for an enthusiastic, motivated, problem solving, mechanical and eager person to join our production team, as Cellar Hand.

This is a hands-on position, who reports directly to the winemaker. The ideal candidate has skill in driving a forklift and has experience working on the cellar floor of a winery.

### Duties include, but are not limited to the following:

- Communicating effectively with all members of the production team, both seasonal and full time.
- Supervise and work with a cellar team during harvest
- Manage and operate all barrel activities
- Forklift driving
- Mentor junior members of the team
- Implement and complete work orders
- Participate in all wine activities from harvest to bottling
- Equipment maintenance

### Requirements

- Forklift experience
- Wine cellar experience
- Ability to communicate in English, Spanish a significant plus
- Good mechanical skills
- Team player
- Ability to supervise a small crew
- Maintain a safe working environment including equipment and chemicals
- Ability to follow written instructions accurately
- Good sensory skills and the ability to identify problems in wines

This role is a full-time position with a competitive wage and benefits (Simple IRA – retirement plan, Health, Dental, employee discount on wine, harvest meals, great sound system, immaculate equipment.)

Elk Cove Vineyards is a winery in the Willamette Valley, family owned and operated for 50 years. We source grapes from our estate vineyards and all over Willamette Valley. We are a growing company with products in the medium-to-high end range.

We are committed to building an inclusive, supportive workplace where you can do the best and most rewarding work of your career.
